From Principal's Desk

I cordially welcome the young aspiring students to Gobinda Basumatary College, Jaraguri. Established in 2016, this institution has been growing, striving and aiming at providing a quality-based education since day one. As Principal i/c, I am honored to be part of a vibrant academic environment that nurtures intellectual curiosity, fosters critical thinking, and shapes responsible citizens.

At Gobinda Basumatary College, Jaraguri, we strive for academic excellence while promoting values such as integrity, inclusivity, and innovation. Our dedicated faculty, modern infrastructure, and holistic approach to education ensure that every student is empowered to reach their full potential and focused on future growth by adapting to new technologies, embracing interdisciplinary learning, and building global perspectives.

I encourage all our students to take full advantage of the opportunities provided here. Participate actively, think independently, and always remain curious. Remember, education is not just about acquiring knowledge, but about developing the wisdom to apply it meaningfully.

Thank you for being part of our journey. Together, let us continue to build a legacy of excellence.

Danswrang Islary
Principal i/c
Gobinda Basumatary College, Jaraguri

ABOUT US:

The Gobinda Basumatary College, Jaraguri is situated at the village called Jaraguri, Bajugaon near Sankosh river which comes under Gossaigaon Sub-division of Kokrajhar district, Assam- 783361. The Stone Crusher Plant named "Basumatary and Sons" lies in the West of the institution at 500 metres, the Sankosh river at a distance of 2.5 km. Raimona National Park is located at a distance of 21 Km approx in the North. It also shares border with country of Bhutan which lies in the Eastern Himalayas. Gossaigaon Town lies at a distance of 18 Km in the East. It is the economic and administrative center of the area. National Highway, NH- 27 runs in the South at a distance of 6 Km from the institution.

The Gobinda Basumatary College, Jaraguri was established on 12th August, 2016 with a aim to promote higher education to economically weaker section of the people belonging to the different sections of the area. The college was founded under the Presidentship of Mr. Marjit Basumatary, Governing Body, Gobinda Basumatary College, Jaraguri. He was the visionary, social worker and leading driving force of the college. Without his love and support towards different communities, the local people wouldn't have imagined a single college in a remote area like Jaraguri. The college is like a "boon" for the downtrodden sections of the people who can't afford the expenses of their higher education outside. The college aims to produce the future "Gems of the society".

At present, the college is affiliated to Bodoland University. From the day one of its establishment, it thrives to provide equal and holistic peaceful learning environment to the student communities and the staff. Earlier, it was started with total eight departments such as- English, Bodo, Assamese, Political Science, Economics, Education and Logic and Philosophy. From the academic session 2023-24, the college added Geography and sociology subjects. Again, from this session 2025-26, keeping in mind the interests and the needs of the students, Geography and Sociology honours are added in the departments. Therefore, at present, the college has total ten departments. At its initial stage, the duration of the course was three years till 2022. But, after the recommendations of NEP, 2020, the college started its Four-Year Under-Graduate Programme (FYUGP) since 2023. The college has facilities such as Home Examination Centre, Bus Service, Library, Qualified & Trained Teachers, Self-defense class, Spoken English, Career Counselling Class, Seminars and Workshops, Extra-curricular Activities, Holistic and Peaceful Learning Environment, well- equipped Infrastructure, Drinking Water, Canteen, Wi-Fi, CCTV Surveillance System since 2017.

Again, the college has variety of Cells, such as - Grievance Redressal Cell, Anti-ragging Cell, Women's Cell, Digital Learning Cell, Consultancy, Career Counselling and Placement Cell for the well being of the students, staff and the college.

Vision:

The vision of Gobinda Basumatary College is to be a beacon of knowledge and innovation, empowering individuals in remote communities through accessible, inclusive, and quality higher education, fostering sustainable development and lifelong learning for a brighter future.

Mission:

To deliver inclusive and high-quality academic education that nurtures intellectual growth, promotes critical thinking, and equips students with the knowledge and skills to contribute meaningfully to rural and global communities addressing local challenges.

Objectives:**Here are key objectives of Gobinda Basumatary College, Jaraguri.**

1. Enhance Access to Education: Provide quality higher education opportunities to students in underserved and geographically isolated areas.
2. Promote Local Development: Contribute to the socio-economic development of the region through education, research, and community engagement.
3. Preserve and Promote Local Culture: Support the preservation of local traditions, languages, and cultural heritage through academic programs and activities.
4. Develop Skilled Workforce: Equip students with the knowledge and skills needed for employment, entrepreneurship, and self-reliance.
5. Encourage Research on Local Issues: Focus on research and innovation that address local challenges in agriculture, health, environment, and infrastructure.
6. Foster Community Engagement: Build strong linkages with local communities through outreach, extension programs, and social initiatives.
7. Reduce Migration: Minimize the need for students to migrate to urban areas for higher education by offering competitive and relevant academic programs locally.
8. Empower Marginalized Groups: Promote inclusivity and equal opportunities for women, tribal communities, and other marginalized groups.
9. Promote Sustainable Practices: Encourage sustainable development and environmental stewardship through education and institutional practices.
10. Build Digital and Technological Capacity: Improve digital literacy and access to technology to bridge the digital divide in remote areas.

MOTTO: KNOWLEDGE IS THE LIGHT OF MIND
